Man this is absolutely insane!

I remember when i had to extract some enemies from the castle and it took me a lot of time, now looking at this entire list i can't imagine how much time you spent on this.

You got my admiration once again.

I left this forum a long time ago, I'm on my

Finally someone got around to making a more complete list. Feel free to take what I have posted already in [this POST](#), or feel free to add your findings there

Oh and here are the IronMaiden Regenerator parts. You can add this to your list if you like:

Regenerator

- 000 - groin and thighs
- 001 - abdomen front and back
- 002 - hole in abdomen
- 003 - top of head
- 004 - slice of head
- 005 - Right Arm & Hand
- 006 - Right Arm stump
- 007 - Left Arm & Hand
- 008 - Left Arm stump
- 009 - Right leg and foot
- 010 - Right leg stump
- 011 - Lower Left leg and foot
- 012 - Left leg stump
- 013 - Torso, coat, no arms, no guts half-head
- 014 - Half torso cover

Iron Maiden

- 017 - groin and thighs
- 018 - abdomen front and back
- 019 - hole in abdomen
- 020 - top of head
- 021 - slice of head
- 022 - Right Arm & Hand
- 023 - Right Arm stump
- 024 - Left Arm & Hand
- 025 - Left Arm stump
- 026 - Right leg and foot
- 027 - Right leg stump
- 028 - Left leg and foot
- 029 - Left leg stump
- 030 - Torso, coat, no arms, no guts half-head
- 031 - Half torso cover

I was wondering have u find double chainsaw id on waterworld ? Im looking his animation for going up ladder, because in game he doesnt using ladder at all he just doing high jump and its look really cool if i could use it. However your list is really helpfull too, really thx for it

edit : nvm i just found it (em20 | em50 | em60 | em70)
